### **Page for link to online access to meetings:**

<https://www.creditriver-mn.gov/meetings-online.html>

\*\*As of July 6th, meetings can be attended either in person or watched remotely. The current program for remote access is Microsoft Teams and instructions are located on the page above. Remote participants currently are allowed to participate in the open forum. The meetings are not currently available to watch later. However, they are moving to Zoom and are planning to live stream / archive the meetings to YouTube. I am not certain if they will continue to allow residents to participate remotely when this happens or if you would need to be in person to speak.

### **City Office Hours:**

Tuesdays : 8:30 am - 12 noon or by appointment by contacting the City Clerk.

### **City Board Meeting Schedule**

First Monday of the month at 6:00pm.

Third Monday of the month if necessary, 6:00pm.

Credit River Government Center

### **Planning Commission**

The Planning Commission meets on the 3rd Monday of each month (except holidays) at 6:00 p.m.

\*\*It is very helpful to go to their website and sign up for their newsletter -- they send out reminders / agendas before meetings and is the best way I have found to stay up-to-date on when things are happening.

\*\*Agendas for meetings are located at: <https://www.creditriver-mn.gov/minutes.html> but I find them basically useless. They get amended right up until the beginning of the meeting and there isn't much info in them anyway.

### **Code Review Task Force**

July 28, 2021, 5:30 PM - 7:30 PM @ Burnsville City Hall

The City Council holds three meetings a month in the Council Chambers at City Hall, 100 Civic Center Parkway. The public is welcome to attend all of these meetings. Governance meetings are scheduled periodically when necessary. These meetings are all aired live and replayed on Burnsville Civic Channel (BCTV) 16 for cable subscribers and available for streaming on demand online.

All meetings start at 5:30 p.m. and are open to the public.

- Two Regular City Council Meetings: first and third Tuesdays after the first Monday.
- Council Worksessions: second Tuesday after the first Monday.

## **Order of Business**

The schedule for a Council meeting is shown on the AGENDA. An agenda is a list of business items to be considered at a meeting. Each item is given an approximate time that it will be heard. Copies of the agenda are available at the entrance to the Council Chambers at the time of meetings.

The agenda is published before Council meetings on the City's website at this link. More information on agenda items is also available through the City Clerk's office at 952-890-4490.

### **Regular Agenda:**

The REGULAR AGENDA consists of items requiring individual consideration by the Council; for example, discussion of individual development issues that have a significant number of community or neighborhood concerns.

### **Consent Agenda:**

The Burnsville City Council uses a CONSENT AGENDA procedure for routine, non-controversial items needing little or no deliberation. Those items are identified on the agenda and are approved as a block with one vote unless a Councilmember, City staff, or citizen requests that an item be considered separately.

### [How can I speak at a City Council meeting?](#)

During regular City Council meetings (1st and 3rd Tuesdays after the 1st Monday), the public is invited to speak to the Council during the Citizens' Comments portion of the meeting. During this time, you may bring up new issues to the City Council that are not on the agenda. If you wish to speak about something already on the agenda, you may ask to be recognized by the Mayor at the time the issue is being discussed.

The document has been reformatted and the legislative priorities updated to focus on the most important issues facing the City that have the greatest chance of receiving attention during the legislative year. These issues include:

- Economic Development & Revitalization
- State Mandates on Local Authority
- County Road 50/Interstate 35 Interchange Capacity
- Absentee Voting
- Storage of Railroad Cars Within Urban Residential Areas

As in previous years the document also lists additional legislative priorities and initiatives that are important to the City that will be monitored throughout the legislative session in case the issues arise.

## **Eagan City Council**

The Eagan City Council is proud to serve the community. The Mayor and four Council Members are elected at large to serve four-year staggered terms with elections in even-numbered years. Eagan's Mayor is Mike Maguire. Council members are Paul Bakken, Cyndee Fields, Gary Hansen, and Mike Supina.

The Mayor and Council are elected to make decisions on behalf of Eagan's residents. They adopt and oversee the City's annual budget and set the annual property tax levy. They are also responsible for policy decisions including land use, program development, ordinances, and awards of contracts. The City Council appoints a City Administrator who oversees day-to-day operations of the City, and ensures Council decisions are implemented.

The Council meets in regular sessions to conduct City business on the first and third Tuesdays of the month at 6:30 p.m. at City Hall. A "Listening Session" is also held at 6:00 p.m., prior to each regular City Council meeting at which the public may address items that are NOT on the City Council Agenda. The Listening Session is typically more informal and provides an opportunity for conversation with the Council.

The Mayor and City Council Members are not full-time positions and do not have offices at City Hall. The phone numbers listed here are provided for use by the public. You may email the Council at [citycouncil@cityofeagan.com](mailto:citycouncil@cityofeagan.com).

**Meeting Procedures:** <https://cityofeagan.com/meeting-procedures>

The City Council welcomes the public to all Council meetings, workshops, and hearings and you are encouraged to express your opinion during these meetings. To keep the agenda moving smoothly, the Council has adopted basic guidelines for making presentations before the Council. The purpose of the guidelines is:

- To provide for an orderly meeting.
- To provide equal and adequate time for review and consideration of agenda item.
- To provide equal rights to all members of the public who address the presiding officer.
- To provide the City Council with an equal and rational approach to all decisions.

**Meeting Conduct Guidelines**

1. Persons attending a Council meeting may address the Council at the time at which specific items appear on the agenda.
2. When addressing the Council, the presenter shall approach the podium and begin presenting by stating his/her name and address.
3. All persons who speak must address the Mayor.
4. At public hearings, all questions and remarks from an audience member are limited to four (4) minutes and shall be addressed to the Mayor. Each person is limited to one turn. The Mayor may use discretion whether to allow repeat statements from the same person.
5. Presentations concerning items will be heard **only** upon approval of the Mayor.
6. To help maintain order, applause or other disturbances are discouraged.
7. Petitions should be presented to the City Administrator.
8. Audience members are encouraged to address the Council but can't make motions or otherwise participate in the meeting.

**Non-Agenda Items - Visitors to be Heard & Listening Sessions**

Individuals wishing to appear at regular meetings of the City Council relative to items not included on an agenda may speak or make presentations under the sections of the agenda entitled, **Visitors to be Heard**.\* The Visitors to be Heard section is scheduled at the end of the meeting and the total time limit for all speakers is 10 minutes. No Council action on a visitor's presentation should be expected at this meeting, since the Council will want to study all proposals or requests before making a decision.

\*Listening Sessions are held prior to each regular City Council meeting (generally beginning at 6:00 p.m. in the Eagan Room of City Hall), also for the purpose of addressing items not included on the City Council agenda. Individuals wishing to address the City Council may speak or make presentations in this less formal meeting format.
